

# Rick Moran

## President & CEO

Rick Moran joined VIMANA in 2012 as the COO. In July of 2014, he was promoted to President and CEO and currently serves in that role. Rick is a Board Member.

Rick brings over 20 years of experience in the software industry to VIMANA. Rick has an unwavering commitment to helping customers transform their operations to improve their productivity, maximize profitability, and increase the satisfaction of their customers. He currently leads VIMANA in driving innovation in software development, delivering best-in-class customer service. Rick's lead the charge in broadening our partner ecosystem ultimately to help customers leverage existing technology and integrate and automate solutions from design to product delivery.

In his previous roles, he focused on driving growth in startups and early-stage companies. Before VIMANA, Rick worked at TIBCO and led business development for their cloud computing product group, which was created from the acquisition of DataSynapse. While at DataSynapse, he held positions as VP of Sales and SVP of Business Development while seeing 20x revenue growth in the company. Prior to these positions, Rick held positions in executive sales, business development, and marketing.
